

Proposal on displaying terms for preparation, weld and joint

fog (preparation)	svets (weld)	förband (joint)	figur (figure)
V-fog (single V preparation)	stumsvets (butt weld)	stumförband (butt joint)	
halv V-fog (single bevelled preparation)	stumsvets (butt weld)	stumförband (butt joint)	
I-fog (square preparation)	kälsvets (fillet weld)	T-förband (T-joint)	
dubbel halv V-fog (dubble bevelled preparation)	stumsvets (butt weld)	T-förband (T-joint)	
I-fog (square preparation)	kälsvets (fillet weld)	överlappsförband (overlap joint)	
I-fog (square preparation)	kälsvets (fillet weld)	hörnförband (corner joint)	
I-fog (square preparation)	stumsvets (butt weld)	kantförband (edge joint)	
I-fog (flanged edges)	stumsvets (butt weld)	kantförband (edge joint)	
rundad fog (flanged edges)	stumsvets (butt weld)	flänsförband (flare joint)	
halvrundad fog (flanged edge)	stumsvets (butt weld)	T-flänsförband (flare T-joint)	
jogglad fog (joggled edge)	stumsvets (butt weld)	jogglat överlappsförband (joggled lap joint)	
I-fog (square preparation)	stumsvets (butt weld)	T-förband (T-joint)	

Note AWS don't have the term "butt weld"! Only "butt joint" and "groove weld".
